The Greatest Shoe Values Ever Offered at

\$1-Dollar-\$1

750 Pairs Worth Regular \$3 to \$5

As a usual thing when one does have the opportunity to buy a pair of reliably made shoes for as little as one dollar, the assortment from which selection can be made is invariably small and rather limited as to styles and sizes.

Here is a case of where we give you unrestricted choice for (one day only), tomorrow of 750 pairs of \$3.00 to \$5.00 Pumps, Oxfords and Strap Slippers in patents, dull leathers, satins, velvets, suedes, tans and white; also 50 pairs of \$3.00 to \$5.00 high white shoes for women, all at \$1.00 the pair.

There is no question but what it is the best shoe buying opportunity the women of Topeka have ever had.
